Additionally, there are several advanced search options to help narrow down the courses further. These can be found by clicking on the **Advanced Search Options** button beneath the search bar.

- **Keyword search** – Displays courses with descriptions containing the keyword
- **UK Core area** – Allows you to find courses that apply to specific UK Core areas
- **300+ Level**
- **Variable Credit**
- **Part-of-term sections offered**
- **Fully Online sections offered**

The screenshot displays a search interface with the following elements:

- Search Bar:** Includes fields for COURSE PREFIX (containing "CHE - Chemistry"), NUMBER, and SECTION, followed by a SEARCH button and a "Reset" link.
- Advanced Search Options:** A dropdown menu is open, showing:
 - KEYWORD SEARCH:** A text input field with the placeholder "e.g., biology or trumpet".
 - UK CORE AREA:** A dropdown menu currently set to "UK Core Area".
 - Filters:** A list of checkboxes for:
 - 300+ Level
 - Variable Credit
 - Part-of-term sections offered
 - Fully online sections offered
- Background Elements:** Partially visible text includes "ch returned a lot of cour", "specific course on this page", "courses on these days" with checkboxes for M, T, W, Th, F, and a "Hide courses no" checkbox.

Once you've found the course you'd like to plan, click on either the Add to Planned button next to the course, or the Plan button on a specific section to plan that section.
