

HOW TO WITHDRAW IN MYUK

 Office of the
University Registrar

SIGN IN TO MYUK

Go to myuk.uky.edu and select the 'Log-in' option to sign in with your linkblue username and password.

Please note that myUK works best with Google Chrome and Mozilla Firefox. Using other browsers may result in compatibility issues.

For accessibility issues within the myUK portal, please contact ITS at [859-218-4357](tel:859-218-4357) or 218help@uky.edu

NAVIGATE TO MYUKGPS

Select the 'Menu' button at the top of the page.

Confirm you are on 'Student'

Select 'Degree Planning and Registration (myUK GPS)'

Selecting 'Degree Planning and Registration (myUKGPS)' will likely load the term you need to make changes in by default, but you may select a different term if needed.

This course was dropped successfully.

Once the drop/withdraw has processed you will see green text stating the drop/withdraw was successful.

You may also check your updated schedule in myUKGPS after the drop has processed to confirm the status change.

Please note that if you are dropping/withdrawing from all classes after the start of a Fall or Spring semester you will not be able to drop your last class, you must complete a required drop/withdraw form through the Office of the University Registrar website to drop your final class.
